INFORMATION TO APPLICANTS APPLYING FOR MEMBERSHIP

Brief History

Some years ago, Mrs. Helen Webb Harris had a dream. On April 22, 1937 that dream became a reality when the WAKE-ROBIN GOLF CLUB was organized with thirteen members. It is the earliest founded black women's golf club in the United States. The name WAKE-ROBIN is derived from a spring flower.

The purpose of the WAKE-ROBIN GOLF CLUB at its inception was to introduce black women to, and provide the vehicle for, competitive participation in golf, which was a major challenge in 1937. Opportunities for blacks to participate in local and national events were non-existent. Through the years, hundreds of women have chosen to affiliate with the Club. The WAKE-ROBIN GOLF CLUB has set an exemplary record in golfing activities in order to achieve its objectives.

Our Mission

The Club exists to foster and perpetuate women's interest in golf and encourage women in Washington, D.C. and vicinity to become golfers. We are the premier force for promoting and advancing women's interest in golf. WAKE-ROBIN GOLF CLUB is a 501 c (3) organization. Funds raised by the club through tournaments and golf related activities help the club support other organizations in need and offer scholarship support.

If the conditions of this probationary period (one year) are not met the probationary period shall be reviewed by the Club and may or may not be extended and regular membership shall be extended or denied.
